

## Broadloom Carpet Cut Guidelines

### Running Line Products – Essentials Cut 26

- Orders from 0—200' - Maximum roll size is 100'.
- Orders over 200' - Cut sizes cannot be specified. Number of rolls shipped will be no more than  $(\text{Total Footage} \div 100) + 1$ , and no roll will be less than 25' without customer approval. *Example: 452' could be up to 5 rolls.*
- Orders of 101—200' - If no cut sizes given, a maximum of three rolls will be shipped with no roll shorter than 25'.
- Orders where roll sizes not specified - Orders will be filled with rolls sized between 80—175'.

### Running Line Products - Rough Rider Cut 32

- Orders from 1 —50' - One roll.
- Orders from 51—150' - Up to two rolls.
- Orders over 150' - Number of rolls shipped will be no more than  $(\text{Total Footage} \div 100) + 1$ . *Example: 452 ft. could be up to 5 rolls.*

#### Notes:

- Orders are taken as total footage only. Specific roll sizes cannot be guaranteed.
- If a roll is shorter than 25' or if there are more than two rolls on an order less than 150', the customer will be contacted for approval.

### Custom Products – Any Construction

- Orders from 1—50' – One roll
- Orders 51—150' – Up to two rolls
- Orders over 150' - Number of rolls shipped will be no more than  $(\text{Total Footage} \div 100) + 2$ . *Example: 452 ft. could be up to 6 rolls.*
- Customs are subject to 5% overage on standard colorways and 20% on custom colorways.

#### Notes:

- Orders taken as total footage only. Specific roll sizes not guaranteed.
- Orders subject to 5% overage on standard colorways and 20% overage on custom colorways.
